This should work for me. There is a slight chance a morning matter will carry into the afternoon. Thank you. Tim

Mary,

Please note that you have an error in Tim McCarthy's email address in your message below. It should be tmccarthy@cclawmn.com rather than tmccarthy@acclawmn.com (you added an extra "a"). I only noticed it after I sent a "response to all" to your email and got a message saying that my response was undeliverable to Mr. McCarthy. He confirms that he did not receive your November 18 email.

At any rate, my previous email provides EPA's available dates. Your out of office message indicates you are out for the remainder of this week and all of next week. I will be out next week too, traveling. If you get a chance to respond while you are out, I can't guarantee that I'll be able to gain access to my work emails, given various difficulties that EPA has generally had with remote access. Thus, the best way to reach me next week is through the following personal email address: **Ex. 6 - Personal Privacy**. Or you can leave a voicemail on my work phone: (312) 353-6181.

I look forward to settling on a date for the discussion with Judge Gunning.

Dear Counsel:

On behalf of Judge Barbara Gunning, please communicate and agree to a couple of times and dates in the first couple of weeks in Dec. 2013, and let me know. Upon receipt of your proposed dates, I will choose the best date and confirm with the parties. If you have questions re the ADR process, you may refer to Judge Biro's letter dated 10/29/13. Thank you for your participation.

**Best,
Mary**
